Welcome to Sharon's House of Pancakes

Our family has been a part of Hillsdale County for over 80 years and for that our family is truly thankful. In 1941 my great grandfather, Elmer Pearson started what we know today as Market House. Over the years Market House has been known for many things. We started as a Dime Store and Meat Shop and for many years we've been known as providers of fresh meats, fruits and vegetables, made from scratch bakery, and much more. Over the years our family saw the need to diversify our offerings to survive and succeed so we've added Beer, Wine & Liquor, a full service US Post Office, Blimpie Subs & Salads, Krispy Krunchy Chicken, Boar's Head Deli, Biggby Coffee, Anytime Fitness and much more. Today we are proud to add Sharon's House of Pancakes. Named in honor of my late Grandmother Sharon. Sharon was known for many things in Hillsdale County. She was known as the softer side of successful partnership of Mr. & Mrs. Phil & Sharon Williams. She was known as the loving and caring mother of four daughters, Rita, Karan, Anita and Mindy. She was known for her smiling face behind the Market House Donut Counter. She was known for her grace, kindness and public service, serving many years on numerous church and charitable boards in our community. To me she was known for her heart, her generosity, encouraging words and her cooking! Whoever said "Cooking is Love made visible!" must have met my Grandma Sharon. She always put her heart and love into every meal! Today she is at the heart of our teams efforts, led by notable restaurateur Wayne Babcock, to bring you a great breakfast, made with only the best ingredients in a happy and inspiring atmosphere!

Our family sincerely appreciates your business and we invite you to visit many of our departments in our Hillsdale Store. In all of these departments are people that my Grandmother would be truly proud of. At the fabric of Market House's history and success is the smiling faces of our Market House Team. My great grandfather had a quote he lived by and it remains strong in the minds of our family today. "Surround yourself with Good People and Good things will happen!"

Market House was founded on the foundation of giving back to our communities. Since our early beginnings Market House Leaders Phil & Sharon Williams, Larry & Marilyn Jacobus, Roger & Karan Boyd maintained our families commitment to our communities and today we are truly thankful to continue the tradition of honorable service to you, your family and our communities.

Sincerely,

*Brett &
